

Table 2. National priorities for allocation of structure instrumentation resources to ANSS regions. The number of structures with 30 channels each is based on 3000 3-channel accelerographs as requested by the ANSS proposal.

Region	Number 30-Channel Structures/ ANSS Region
California ANSS Region-1	<i>186</i>
Pacific Northwest ANSS Region -2	<i>26</i>
Intermountain ANSS Region -3	<i>33</i>
Mid America ANNS Region -4	<i>13</i>
East-Northeast ANSS Region -5	<i>22</i>
Alaska ANSS Region -6	<i>14</i>
Hawaii ANSS Region -7	<i>7</i>
Total	300
